

CNHP Partners' Meeting
Conserving Biodiversity in a Changing Colorado
March 11, 2022
Grand Ballrooms C and D, Lory Student Center
Colorado State University Campus, Fort Collins, CO

Meeting Purpose: The Partners' Meeting is a forum for communication across Colorado's conservation organizations. Our intention in hosting this meeting is to bring our community together to strengthen our collective network, build connections that make us all more effective, and identify priorities that we can address together.
